TASK FORCE MEETING AGENDA

TEMPE, ARIZONA
OCTOBER 16, 2018

OVERALL ARIZONA NICS IMPROVEMENT ACT PURPOSE STATEMENT

On January 8, 2011, a horrific act of violence committed in Tucson left six people dead and 14 injured, including former United States Representatives Gabrielle Giffords and Ron Barber. The shooter suffering from mental health and substance abuse issues exhibited observable behaviors prior to the shooting. Arizona stakeholders, led by the Arizona Criminal Justice Commission (ACJC), had been working to address the issue of improving records submitted to the National Instant Criminal Background Check System (NICS), and this horrific event was a catalyst for Arizona policy makers to dedicate additional attention to the improvement to mental health and criminal history information reporting to NICS.

In March 2013, the Arizona NICS Task Force published the Arizona NICS Act Reporting Improvement Plan with a total of 30 Recommendations. Since the release, nine additional recommendations were provided by the Commission and have been adopted by the Task Force. Progress continues on all NICS Categories, focused on legislation and agency policy changes that will greatly enhance reporting to NICS. Legislation on Category 5 passed in both the Arizona House and Senate and HB2322 was signed into law by Governor Jan Brewer on April 30, 2014. SB1373 authorizing notification of a mental health determination to law enforcement was signed into law by Governor Doug Ducey on May 1, 2015. House Bill 2154, simplifying Failure to Appear statutes and clarifying fingerprinting protocols, was signed into law by Governor Ducey on April 5, 2016. House Bill 2249, automating and redesigning the Order of Protection/Injunction Against Harassment process, was signed in law by Governor Ducey on April 17, 2018.

GOALS

1. Discuss Misdemeanor Convictions of Domestic Violence submissions to III and NICS.
2. Discuss vulnerabilities at FFL point-of-sale transactions with Prohibited Possessors.
3. Update the Order of Protection system improvement project.
4. Discuss submissions of Juvenile Felony Delinquency to III or NICS.
5. Update existing projects on E-Warrants, Mobile Fingerprinting.
