Introduction

The Arizona Criminal Justice Commission (ACJC) developed these instructions to assist you with your application submission for the FY 2020 Drug, Gang and Violent Crime Control (DGVCC) Competitive Grant program.

Assistance and Resources

Arizona Criminal Justice Commission staff is able to provide assistance regarding the application submission through ACJC's Grant Management System (GMS). During the open solicitation period, staff cannot advise applicants on proposed projects. Detailed instructions on the use of the GMS are available at <http://acjc.azcjc.gov/GMS3/LogIn.aspx> and select the GMS Manual from the left-hand menu bar. Access to the GMS is available at <http://acjc.azcjc.gov/GMS3/LogIn.aspx>. In addition, application content guidance is found in the grant announcement and the [Grant Writing Training Manual](#) available on ACJC's web site.

Funding Priorities

For purposes of outlining funding priorities for the FY 2020 Drug, Gang, and Violent Crime Control Program, the Commission has developed a tier system. Each purpose area has been categorized Tier I, Tier II, or Tier III (see below). Tier I projects will receive the primary focus in allocating funding. Although Tier I projects will receive priority consideration, the funding recommendation will recognize to the extent possible the workload impact one part of the criminal justice system has on other parts of the system.

TIER I:

- Apprehension
- Prosecution

TIER II:

- Forensic Support Services
- Adjudication and Sentencing
- Corrections and Community Corrections

TIER III:

- Substance Abuse Treatment for Corrections-Involved Individuals (*Eligible under the RSAT grant program*)
- Prevention and Education

Please review the Drug, Gang, and Violent Crime Control Competitive Grant Announcement to ensure your project meets the necessary eligibility requirements.

However, a new agency or new departments must be added through the "Edit Profile" function. *Before starting our application, please go to "Edit Profile" and add your Federal Tax ID for your agency. This is a new field in the GMS. There is a place to enter the tax id in the application, but if it is not saved in the agency information, it will not save in the application.* (see GMS instructions for more information).

DUNS Number and Central Contractor Registry

These fields are mandatory for all applicants. All agencies must have a DUNS number and be registered with CCR at the time of award. Returning applicants are required to update their user profile prior to opening an application by entering the numeric DUNS number

and selecting the appropriate "Yes"/"No" response for the Central Contractor Registry (CCR).

Data Universal Numbering System (DUNS):

A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used by federal agencies for tracking purposes and to validate the addresses and point of contact information for federal assistance applicants, recipients, and sub-recipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at: www.sam.gov.

Central Contractor Registration (CCR):

In addition to the DUNS number requirement, Office of Justice Programs requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Applicants, however, must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures may be accessed at www.sam.gov. It is recommended that applicants begin the registration process immediately, which may take up to a few weeks to complete.

- **Participating Agencies**

The applicant is to provide a listing of participating agencies or enter "not applicable" if other agencies are not involved with the project.

- **Authorized Official**

This must be a person in the applicant agency who is authorized to sign grant agreements.

- **Project Official**

This is the person who is responsible for overseeing the administration of the project or program.

4. Budget

Provide budget detail and narrative for the *applicable* budget categories listed below. **NOTE:** Matching funds of 25 percent are required. **In submitting funding requests, applicants should include the amount of grant funds being requested plus a 25 percent match.** For example, if the applicant intends to request a total project cost of \$100,000 to carry out the proposed project, then ACJC would contribute \$75,000, and your agency would contribute \$25,000. The method to calculate the Match is the following:

Total Project Cost * Match percentage = Agency Contribution
 \$100,000 * .25 = \$25,000

Total Project Cost – Agency Contribution = ACJC Contribution
 \$100,000 - \$25,000 = \$75,000

In the budget table provide the position title, what portion of the position will be funded (e.g., 1.0 or 0.5), the total annual salary for the position, and the ERE Rate. If requesting funding for more than one position, please prioritize the positions from top to bottom.

There must be a commitment by the participating agency that the personnel will be available for the project. Funding may not be used to request positions for participating federal agencies.
